+ Service offers

In order to put together the best service offer for you, it is important to be able to choose from a variety of options. Therefore we offer you a wide range of combinations. Whether purchase, rental or leasing, we have the right offer for you. This is an overview of you service offers. We would be happy to put together a tailor-made offer for you.

Hygienic seat service

The Hygolet hygienic seat is the only way to guarantee your customers and employees a 100% clean seat. We offer you an optimal service interval, during which we service the equipment, refill it and test its function.

Feminine hygiene service

The feminine hygiene service stands for cleanliness and cleanness in the ladies' toilets. We regularly visit your premises and ensure that the containers are cleaned, replenished and in perfect condition.

Cloth towel service

The Hygolet fabric roll service offers you the opportunity to not have to worry about ordering activities. We agree on the stock/consumption quantity and you can then use it. Clean and washed rolls of fabric are brought to you at regular intervals and exchanged for the used ones.

Dirt locks and dirt mat service

Every day people with soiled shoes enter your office premises. The dirt is spread on your clean floors of stone, parquet, carpet or similar. To remedy this problem our dirt mats are the optimal solution.

Air freshener service

Nobody likes it when toilets smell unpleasant. That's why you should choose our fragrance dispenser service, where you create a pleasant room climate throughout and remedy the bad smells.

Refill service

Do you no longer want to worry about refilling your hygiene products? In combination with one of our services, we offer you the refill service. During the service appointment we refill your dispensers. So you don't have to worry about your material stock and reorders.

Delivery service

Make it easy for yourself and arrange regular deliveries with us. Floor delivery also possible!

Assembly service

Do you have new washrooms that need to be equipped with appliances and dispensers? Or are you not satisfied with the existing ones and want to replace them? We not only offer you an attractive range of appliances, but we also take care of dismantling and reassembly.
